

The Art & Science of Bike Fitting

Who should attend?

Anyone that would like to be a Professional Bike Fitter -
Cycling Coaches, Team Mechanics, Physical Therapists, Bike Shop Fitters
– anyone wanting to learn more and/or improve their bike fitting skills.

What will this seminar teach me?

A two day Bike Fit Education Pro certified workshop with extensive hands on training, including special emphasis on the important Foot/Pedal interface. Learn to assess cyclists, and solve problems by making appropriate adjustments. Use Bike Fit tools that improve adjustment accuracy and save valuable time. Both theoretical and practical applications will be covered.

When can I attend?

November 15 & 16, 2008 (9am - 6pm • Sat & Sun)

Where can I attend?

Breakaway Performance Center

150 Columbus Avenue
San Francisco, CA 94133
Phone: 415.788.4778 • www.breakawaySF.com

Why should I attend?

To learn how to provide and/or improve my professional bike fitting services at Breakaway Performance, a very unique facility in California. Knowing how my Bike Fit Services help people experience the joy and wonder of riding a bike. To help cyclists of all abilities, on all types of bikes, to produce more power and perform better, so as to reach their maximum potential.

Continued support is provided after the course is completed. E-mailed educational tips and helpful hints, along with other premium benefits will be provided upon completion of the course. Phone consultations with instructors will also be available.

How would I attend?

Call 425-821-7237 (Pacific Time zone), e-mail info@bikefit.com, or fax 425-814-6125 your information to the staff at BikeFit.com.
Cost is \$800 per person, if registered prior to November 9. Prices increase afterward. Class size is limited to 12 students.
