

TRIFIT

The Art & Science of Bike Fitting - Educational Seminar

Who should attend?

Anyone that would like to be a Professional Bike Fitter - Cycling/Triathlon Coaches, Team Mechanics, Physical Therapists / Clinicians, Bike Shop Fitters – anyone wanting to learn more and/or improve their bike fitting skills.

What will this seminar teach me?

The two day Bike Fit Education Pro certified workshop will include extensive hands on training, including special emphasis on the important Foot/Pedal interface. Learn to assess cyclists and solve problems by making appropriate adjustments. Use Bike Fit tools that improve adjustment accuracy and save valuable time. Both theoretical and practical applications will be covered.
